

# WELCOME TO OUR Quarter 1 January – March 2025 Newsletter

*we're so glad you're here!*

## A Community Update

Welcome to the first newsletter for 2025! The newsletter will provide you with updates, what's on, what has been happening at Prospect Community Services, the Wellness Hub and out and about in the community.

The beginning of the year is a busy time for our staff who complete their mandatory training and finalise their program annual plans. This year we are inspired to deliver, drive, collaborate and share more than ever before. Enjoy our newsletter and stay tuned for exciting updates!

## International Volunteers Day

International Volunteer Day was on the 5th December. This day highlights the power of volunteering to strengthen communities and create positive change. We extend our sincere thanks to our lovely volunteer, Janice who each and everyday volunteers with dedication and selflessness.

This day is an opportunity to celebrate their remarkable contributions and acknowledge the profound impact volunteers have on our community. It is a day where volunteers and the spirit of volunteerism is acknowledged.

Volunteering makes people part of the solutions. Volunteerism lets people and communities participate in their communities development and the challenges we face.

If you are interested in volunteering with Prospect Community Services please contact HR on Ph 4787 4797.

# Message from the CEO

As we welcome the new year, I want to take a moment to acknowledge the incredible resilience and unity of our community in the wake of the recent flooding. The past weeks have been challenging, yet time and again, we have seen the strength, generosity and compassion of our neighbours, volunteers, local businesses and organisations coming together to support one another. Our community continues to inspire us. Thankyou!

2025 holds new opportunities for growth, collaboration and meaningful impact. We can't wait to take you on our journey and share the important work that Prospect Community Services does every day through our brand-new website designed to connect, inspire, and support our amazing community like never before. Stay tuned for the big reveal in the coming weeks.

Finally, I would like to thank my staff for being the heart of our mission—your contributions make all the difference, and I look forward to achieving even greater things with you in 2025!
